

## How to subscribe

If you don't receive the email relating to your subscription request (having checked your spam box!), here's how to finish your subscription - your request is in a 'pending' state and needs you to activate it..

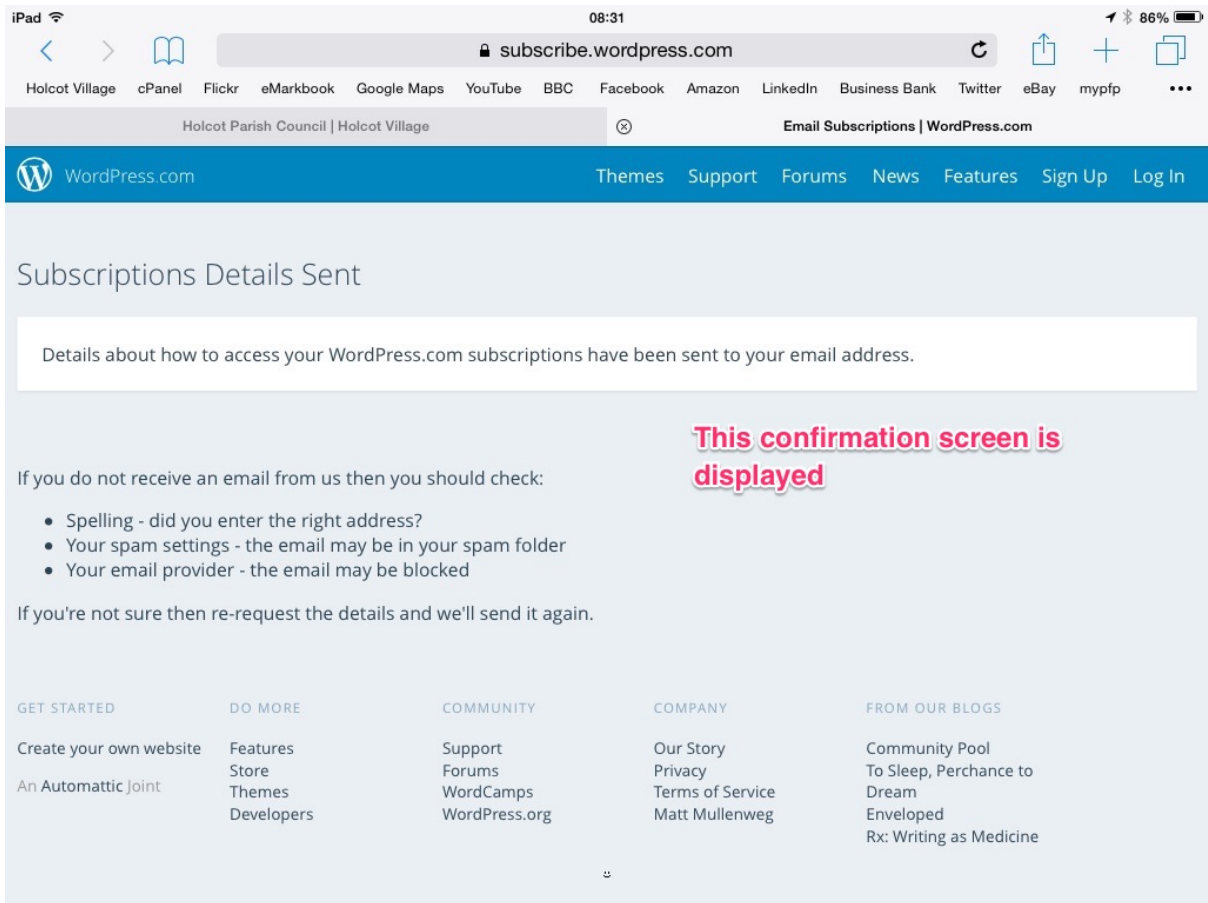

The whole process should take 2 minutes.

### Step 1

Go to this page <https://subscribe.wordpress.com/>

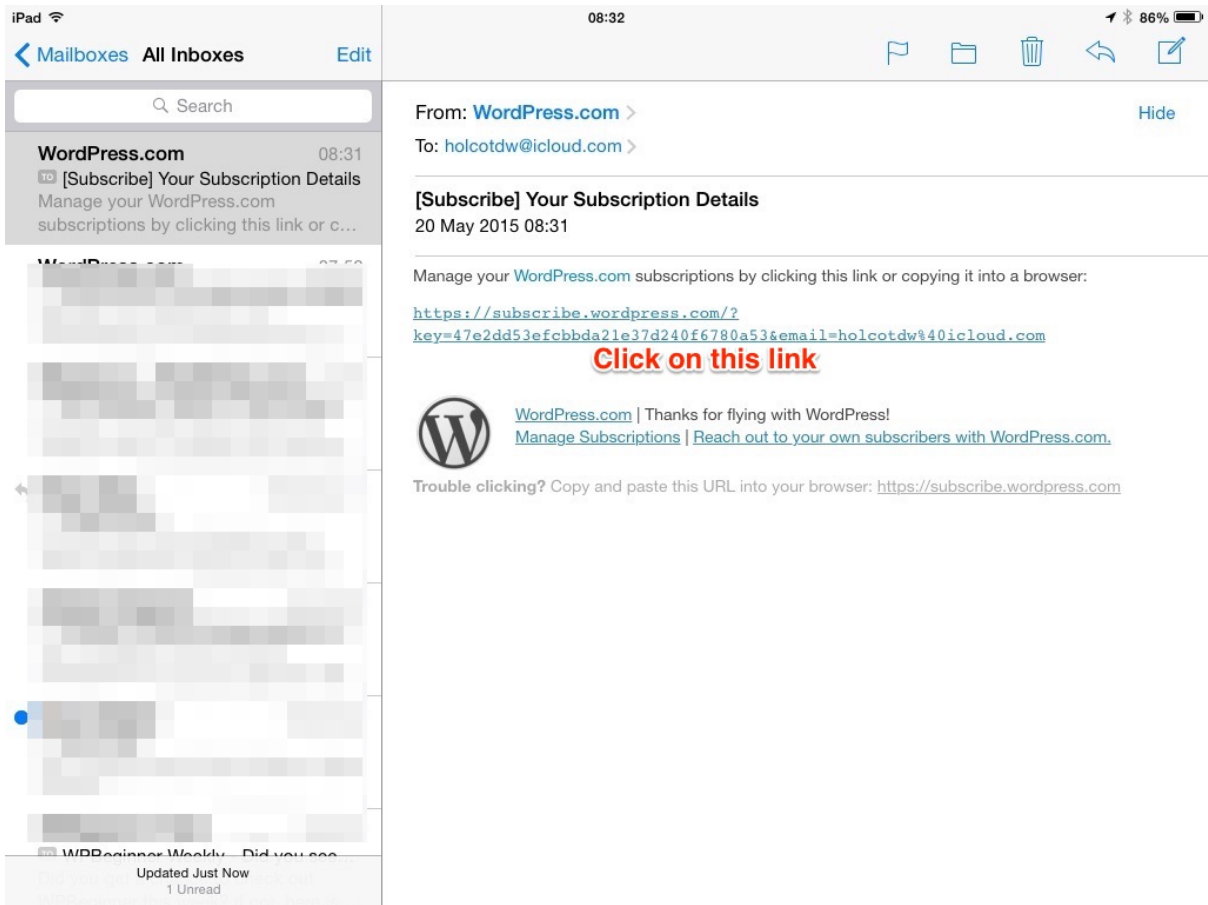

Enter your email address and click "Request Details". The following screen will be displayed as a confirmation.

## Step 2

Go to your email and find the email from wordpress.com. Click on the link.

### **Step 3**

Go to the 'Pending' option on the screen displayed. Your subscription request will be listed - click "confirm".
