

NEW Kids' Playground for Holcot

The Holcot playing field along Back Lane is a vital part of village life. Somewhere for the children of the village to play sports, make friends and play on safe playground equipment. Sadly, over the years the existing equipment has deteriorated which has meant the loss of the slide and soon the balance beam and see-saw. This leaves very little left to attract families to this beautiful spot.

The village has approx. 85 children and many more who come regularly to stay with family and friends. The Friends of Holcot Playing Field are a small group who believe that our village, and the children who live here, deserve a better playground and have decided to do something about it!

Our plans for the new playing field include an adventure path, basketball hoop, goal ends, see-saw, climbing frames, saucer swing, toddler springers and a multi-play fortress. Something for kids of all ages somewhere the whole village can be proud of.

Our challenge is to raise £50,700 to complete the playground. We've made a good start but have a long way to go so we need your help! You can help by...

- Coming along to as many of our fundraising events as you can. The perfect way to support us whilst also having a good time!
- Get involved! We're a tiny group of 4 and would love more people to join us. It's a perfect way to meet new people and support your community. Plus we always have wine at our meetings!

If you'd like to know more, please contact one of the group –
