## *Update from Holcot Parish Council*

My short update...

**Annual Parish Meeting** – this year's meeting was held on 24 May. It was well-attended, with lots of questions from parishioners for our guest speakers. Thanks everyone who participated.

**Road safety in Holcot** - since the last newsletter we have had some progress with WNC Highways. We have complained again to WNC about poor performance. We now have commitment (but no dates) that the Sywell Road chicane will be implemented this year, along with the minor works requested. The Parish Council will review **WNC Highways performance** again in October, by when we should have certainty over the actions being taken. One piece of work that was completed quickly when requested were the repairs of the pavements in Main Street.

Thanks everyone who undertook shifts on the **Community Speedwatch 2023**. It is very clear that standing at the roadside wearing high-viz does improve drivers' speed awareness, although six warning letters were sent by the Police nonetheless. Also, subsequent to a promise at the Annual Parish Meeting, the **Police did speed checks on 14 June** - one driver received a Traffic Offence Report (41mph) and eight other offenders were spoken to at the roadside or received warning letters (34-36mph).

More good news is that Holcot has been selected as a pilot site for **WNC's new ANPR capability**. This will allow WNC to electronically monitor HGVs passing through Holcot, and after a period of testing WNC will be able to undertake enforcement activity.

Our **longer-term road safety plans remain the same** (20 mph, chicane for Brixworth Road, etc), and await finalisation of our next tranche of money from the building works along the A43. We are also investigating grant-funding for another solar-powered VASID.

For further details, see Parish Council minutes and the website. Road safety remains our #1 priority.

### **Brief updates;**

- The **Cycle4Cynthia bicycle ride** in aid of the Cynthia Spencer Hospice is passing through Holcot mid-morning on Sunday 17 September. The timing will be posted on the website – please come along and cheer the participants (and bring cash!).
- You will see elsewhere in the newsletter that, in support of the Hospice and marking the ride passing through Holcot, parishioners have organised a **charity Banter and Batter fun quiz** on 16 September. Please book a table or individual tickets.
- The volunteer Friends of Holcot have been looking after our village environment and gardens as always. Let Ruby ([clerk@holcotvillage.co.uk](mailto:clerk@holcotvillage.co.uk)) know if you would like to volunteer. Cllr Pete Matthews coordinates the **Parish Council's maintenance activities** and you may have seen that recently the bin surround at the crossroads has been replaced, the war memorial repaired and the trees on the old school site reduced in size. Thank you everyone who helps look after Holcot.
- The **playing field annual inspection** has recently been undertaken. An essential repair to one of the goals was completed immediately. Whilst a Councillor does a visual check of the playing field regularly, if you notice any problems please let Ruby know.

**And finally...** Quarterly I summarise here some of the things that the Parish Council is currently working on. To help everyone keep up to date, the minutes of meetings are published on the Parish website each month, there are a variety of website posts published and notified to subscribers. Also, everyone is invited to come along to Parish Council meetings to observe or speak (usually 3<sup>rd</sup> Monday of each month in the Church Room – check the website for agenda).

Sign-up for email notifications of new website posts at [www.holcotvillage.co.uk](http://www.holcotvillage.co.uk). Any problems signing up, or to get a message out to Parishioners, email [editor@holcotvillage.co.uk](mailto:editor@holcotvillage.co.uk).

Have you noticed the various beautiful garden projects springing up around the village?

So far mainly at the **crossroads** and in the **churchyard**, and **now also including the Old School Site**. These are now being regularly maintained by a group of volunteer residents; so far mainly women, but it needn't be exclusive! **No commitment! No gardening knowledge needed!!!** If **\*\*\* YOU \*\*\*** can spare a couple of hours now and again to join this group, to come, have fun, (and meet new people?), please phone or text your contact details to 07908 848 380  
Or, if you prefer, how about joining 'Friends of Holcot Village'?

Mostly men (but it's also not exclusive!) who provide a volunteer maintenance service - mainly on village trees, bushes, signs and the 'Washbrook'. It's usually on alternate Friday mornings, but no commitment to attend regularly.
